

INVESTMENT OBJECTIVE

The investment objective of the iShares MSCI India Index ETF ("Fund") is to provide investment results that, before fees and expenses, closely correspond to the performance of the MSCI India Index ("Index").

GROWTH OF 10,000 SINCE INCEPTION

Performance is calculated on a single pricing basis (NAV to NAV) in base currency, inclusive of all transaction fees and assumes dividend reinvestment. Index returns are for illustrative purposes only and do not represent actual iShares Funds or iShares Trusts performance. Index performance returns do not reflect any management fees, transaction costs or expenses. Indexes are unmanaged and one cannot invest directly in an index. Past performance does not guarantee future results. The Fund may use or invest in financial derivatives.

This has been provided for information purposes only and does not constitute an offer or solicitation to purchase or sell shares in the Fund. Any quoted performance is not indicative of future results. BlackRock does not guarantee the performance of iShares. There are risks associated with investing, including the possible loss of principal. Before deciding to invest, investors should read the prospectus carefully including the investment objective and risk factors relating to the Fund, including the arrangement in the event the Fund is delisted. The value of the units and any income may fall or rise. The Fund's prospectus is available and may be obtained from the website blackrock.com/sg/en/ishares. Investors should note that the Fund differs from a typical unit trust as units of the Fund are bought and sold at market price (not NAV), and units may only be redeemed by participating dealers in large creation/redemption unit sizes. The listing of units of the Fund on the SGX does not guarantee a liquid market for the units. Transactions in units of the Fund will result in brokerage commissions.
